PE and Sport Premium Funding Proposed Spend 2016 – 2017

The Education Funding Agency provides additional funding to each school to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to Primary Schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing some places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools

Total number of pupils eligible		67		
Lump sum		£8,000		
Amount received per pupil		£5.00		
Total		£8335 (Due to be received 2016-17)		
Activity	Amount allocated	Brief summary of the intervention or action	Intended Impact	Impact
PE Lessons	£4,000	Fulham Football Club Foundation leading PE Lessons	<ul style="list-style-type: none"> Pupils experience high quality PE curriculum which improves PE knowledge, skills and understanding Outstanding sports coaches lead all PE lessons Helps children to gain confidence in their abilities 	100% of children enjoy their PE sessions fully and most remember to bring their PE kit. In most lessons they are highly engaged and developing PE skills, dexterity and stamina. They are developing well their ability to work in teams, sharing and cooperating to achieve their shared targets in a range of PE activities.
After school sports club	£1,100	Provision of subsidised places at sports extended schools club	<ul style="list-style-type: none"> Increase in activity levels after school Broaden sporting activities and experiences available to pupils Subsidising costs from outside providers to enable uptake by all pupils 	The range of clubs available to children have enabled them to experience a variety of activities and practice skills that they would not normally have exposure to. We had 75% take up of after school clubs.
Hire of Hall	£1,000	Hire of church hall so that PE Lessons and After Schools Clubs can still take place in bad weather	<ul style="list-style-type: none"> Pupils still able to access PE even when bad weather does not allow it to take place outside After School Clubs able to function and not be cancelled 	All lessons were able to take place irrespective of poor weather and children were able to experience PE in a different setting, developing their awareness and confidence as well as performing.
EYFS	£750	Purchase Agility Equipment	<ul style="list-style-type: none"> Support and develop EYFS motor skills Add more fun to outdoor learning 	Children use this equipment and this has contributed to developing their strength and control and this is evident in the 87% who achieved GLD in Moving & Handling. In Self Awareness 82% GLD and Healthy & Self Care 87% achieved GLD.
Purchase playground equipment	£1,000	Purchase playground equipment to promote active play, e.g. balls, parachutes, cones, hoops, etc.	<ul style="list-style-type: none"> As a new school we have no equipment and have to purchase equipment needed for the playground Promotes friendships with pupils playing group games Improves motor skills and functions 	We have delivered a successful sports day and achieved maximum turn out. Children displayed good stamina, control skills and knowledge and were able to enjoy the experience fully as were their parents. Parental questionnaires show 100% satisfaction with the school. 95% of parents feel their children are having a healthy lifestyle at school.
Delivery of Sports Day	£485	Purchase additional resources for Sports Day	<ul style="list-style-type: none"> Successful Sports Day delivered 95% positive feedback from pupils and parents
